CONF. NO.:

TITLE: Wireless Communication Apparatus and Method

COMMENTS OF THE STATEMENT OF REASONS FOR ALLOWANCE

COMMISSIONER FOR PATENTS

Sir:

In reply to the Reasons for Allowance set for the in the Notice of Allowance mailed 27 September 2006, applicant respectfully submits the following comments.

As to the clause in the Reasons for Allowance that "*Prior art references show similar methods but fail to teach, ...*" applicant wishes to comment that the methods disclosed in the prior art references are not, nor have they been shown to be, sufficient to establish a prima facie case of obviousness for rejecting the claims as a whole, and that the particular feature(s) of each claim that were identified in the Reasons is/are not the sole reasons that the claims are patentable over the art of record.

Respectfully submitted,
ipsolon llp
